

Risk Assessment - Jan 2022

Entrances

- The front door to the building is locked during all classes where adults are not present to avoid other members of the public entering that are not permitted in class.
- There are 2 fire escapes that are unlocked at all times when teachers are in the building.

Exits

- Make sure all doors are closed while classes are in session.
- Avoid smaller children from leaving the room and keep older children safe while parents are not on site.

The Barre, Mirror and Safety

- There is a sign situated on the barre for safety so that people are aware
- The barre is not used unless a specific lesson is in session by fully qualified and insured teachers.
- Check the mirror for cracks, before and after each use.
- They have brakes on each foot and are in a designated area that the students do not pass to avoid tripping.

Props

- All props are sanitised before and after each use.
- Props are always used under supervision.
- Props are only used after a signed terms and conditions letter has been provided from each student.

Rooms

- Kitchen - No Entry for any student at any time.
- Toilet - Only 1 student at a time is permitted to use the bathroom and it is kept to a high standard of cleanliness with hand-wash and sanitiser.

Cleaning

- The premises manager cleans the floors daily and it is left to dry ready to use for all lessons.
- Yellow slip boards are on site in case of any spillages.
